PROFESSIONAL SUMMARY

Senior QA Automation Architect with 15+ years of experience leading testing for web, native apps, and APIs across pharma, e-commerce, and emerging tech. Skilled in Cypress, Playwright, CI/CD, and performance testing. Builds tools that streamline QA, improve deployment speed, and elevate team efficiency. Developed custom ADA compliance audit, ensuring strict adherence to WCAG guidelines and utilizing Deque's Suite of ADA Tools including, Deque's DevTools, axe-core and Deque's Auditor to ensure inclusive user experiences. Proven leader in driving automation-first transformations and mentoring QA teams.

Experienced in leading hands-on training and onboarding for cross-functional teams (QA, design, dev, copy, stakeholders). As QA Lead and Scrum Master at both Small Planet & JUICE Pharma, I hired and trained test interns and 3rd party QA teams, facilitated Agile ceremonies, and implemented Jira/Kanban workflows for technical and non-technical staff.
